This book is revise edition from the previous book, it is more complete with the reality life examples and explanation.

This book is intended for all students of the Faculty of Sharia majoring in Islamic Family Law or someone who need to source about some materials which mentioned and explained in this book. This book covers several materials, such as: the beginning of law and the adat recht, Islamic law in Indonesia, Islam and modernity, gold and silk for men in Islam, local community culture in the view of religion, women in Islam, marriage in Islam, Islamic divorce, concept of inheritance distribution in Islam, Islamic perspective of homosexuality, zina (sex without marriage) in the perspective of Islam, and Islamic perspective of terrorism.

In this revise edition, the explanation is easier and understandable because the real examples are presented with the illustrations, so that it will be interest to learn.
